Liturgical Reflection on the Revised Missal:

Liturgical Participation

Participation in the Liturgy with all our heart, mind and soul is the goal to which we should aspire so that, united with Christ in the Holy Spirit, we may make an acceptable sacrifice to the Father. Fostering active participation in the Liturgy expends beyond knowing what to say and when to sit or stand or kneel. Active participation at Mass must be both interior and exterior. Our minds and hearts must be turned to the paschal ministry, the dying and rising of Christ. Full participation draws believers into the love and forgiveness that the sacrifice of the Mass celebrates.

Volunteers devote as much or as little time as they wish to assist victims of fires, floods, storms or other disasters.

Planned Parenthood?

Taxpayers should not be forced to pay for Planned Parenthood's billion dollar business revolving around abortion, birth control and perverse sex instruction. The organization would not exist without government funding; to help defund it, please check out StopPlannedParenthoodTaxFunding.com.

Mass Cards

Mass cards are on the back table for your convenience in remembering or honoring someone. Please give the **card** to the family and leave the **envelope** (Reneé takes care of them) so the Mass will be scheduled. Suggested donation is \$10.

Stewardship

Saint Paul reminds us today that "From Him and through Him and for Him are all things." Christian stewards treat everything in their midst as gift, and whatever we do with these gifts, we do for Him.
