Families and the Gospel

A Family Perspective by Bud Ozar

November 13, 2022 (Lk 21:5-19)

So many conflicting voices and influences make parenting difficult. In today's gospel Jesus encourages parents to bravely "give testimony" and trust he will give us the "wisdom" to be good parents. You are not alone in parenting; a loving Father is standing with you.

Please remember our homebound members in your prayers!

If you know of someone that should be added to our prayer list, please call the church office at 635-2919.

our faith, hope and charity, and
make us love what you command,
so that we may merit what you
promise.**
